PRESS RELEASE

MATH AND ART FUN WORKSHOPS

Discover Mathematic Magic

Govan Mbeki Maths Development Centre from Nelson Mandela University will be running Math Art workshops to High School Mathematics Learners.

Wednesday, 26 June: Fishy Fashions

Learners will explore simple transformation of shapes on a Cartesian plane, play with tessellations and create simple tessellation artwork.

Thursday, 27 June: Tell your story

Learners will explore the properties and interesting facts of a few geometric shapes and depict an African story using the shapes.

Please note

Time: 09:00 - 11:30

Workshops are free of charge.

All materials will be provided.

Both workshops are suitable for Grade 8 – 12 math learners.

Booking is essential as only a limited number of learners can be accommodated.

For more information and to book your seat please telephone the Art Museum on 041 506 2000.
